**HOW TO FIGURE SHIPPING**

The map shows 2 areas (A and B) in the continental U.S. Orders to Alaska, Hawaii, Guam and Puerto Rico can be sent only by Parcel Post. Also, orders to Canada and international and military (PAL) addresses must be sent by Parcel Post. Use the chart to figure the shipping and handling charge for your order.  
 Example: Item #10H weighs 5 lbs. If sent to Texas (area A), shipping charges are \$6.25. The same item sent to Vermont or California (area B) would cost \$9.00 for shipping.
